

School District MAEP Funding for FY2019

The columns below show the amount of state Mississippi Adequate Education Program (MAEP) funding each school district has been allocated for the 2018-2019 school year compared to the amount each would have received if fully funded according to state law. The last two columns in red show each district's shortfall (the amount below what is required by state law) for FY2019 and cumulatively since FY2009, the last time the MAEP was fully funded. Also shown is each district's funding increase/decrease from FY2018 to FY2019. *Source: Mississippi Department of Education*
